EDMONTON'S ICE DISTRICT

DOWNTOWN REIMAGINED

ICE District is located in the heart of downtown Edmonton, one of the fastest growing cities in Canada. It's a 25-acre development combining condos, a public plaza, sports, entertainment, 208,000 square feet of retail space and 1.3 million square feet of office space all in one location. It's much more than a state-of-the-art arena. It's a place to gather. A place to celebrate. A place where you – and our city – are always at your best!

THE VISION

ICE District is Edmonton's potential brought to life. A once-in-a-lifetime opportunity to develop 25+ acres in the heart of a modern metropolis. The creation of one of Canada's largest multi-use projects that combines offices, condos, a public plaza, sports, entertainment and shopping all in one location. It's a living, urban district that will draw people from all corners of the city, the country and the world.

OUR PARTNERS

ICE District started with Daryl Katz and a vision. Katz Group partnered with the City of Edmonton to build Rogers Place, the catalyst for ICE District. In 2012, Katz Group then joined forces with ONE Properties to create ICE District Properties, the vibrant mixed-use development surrounding the arena. Through their partnership, Katz Group and ONE Properties aim to bring Edmontonians together and attracts visitors to a city that's truly world class.

ABOUT OILERS ENTERTAINMENT GROUP

Oilers Entertainment Group (OEG) delivers leading sports, entertainment and other special event programming to fans and patrons in Canada and the United States. OEG owns the five-time Stanley Cup Champion Edmonton Oilers, the WHL's Edmonton Oil Kings, the AHL's Bakersfield Condors, and operates Rogers Place, the new home of the Oilers and Oil Kings in downtown Edmonton. OEG also owns one of Canada's most accomplished television, event and brand-promotion companies as well as Silver Pictures Entertainment.

ABOUT ROGERS PLACE

The vision of Rogers Place was born when Daryl Katz purchased the Oilers in 2008. At the time he stated a desire to not only find the Oilers a new home in downtown Edmonton, but to do it in a style that would transform our City and encourage further downtown development. Through his partnership with the City of Edmonton, that vision has already been realized, and now continues to expand as Rogers Place has become the anchor of ICE District, a mixed-use sports and entertainment development that is helping to revitalize and invigorate life in Edmonton's downtown core.

Rogers Place itself is an 819,200 square foot, five-concourse facility. The project also includes the Edmonton Downtown Community Arena; the 34,000 square-foot Ford Hall; and connective infrastructure to the LRT system bringing the total project size to 1,110,900 square feet.

Rogers Place and ICE District meld an iconic architectural design, an unprecedented level of new development in the heart of downtown and an unparalleled level of entertainment capacity.

TEAM MANAGEMENT AND STAFF

DARYL A. KATZ

OWNER AND GOVERNOR

Born and raised in Edmonton, Daryl Katz grew up a passionate Oilers fan. He has a deep connection with the team's rich history and is focused on creating the foundation for a winning tradition and bringing the Stanley Cup back to the City of Champions.

Daryl began building what is now Oilers Entertainment Group in 2008. Today, with more than 1,600 full and part time staff, OEG houses Katz Group's growing sports & entertainment businesses and operates Rogers Place, one of the leading sports and entertainment venues in North America. Rogers Place was designed and built in a landmark collaboration between Katz Group and the City of Edmonton.

Away from the ice, Daryl has committed significant time, energy and capital to make his vision for a revitalized downtown Edmonton a reality. ICE District is an ambitious multi-billion dollar project that is transforming the heart of our downtown into a vibrant, walkable and sustainable sports and entertainment district, with a host of new commercial, residential and public amenities. With Rogers Place now open, and the surrounding ICE District development well underway, we're seeing an exciting rebirth of Edmonton's urban core.

Daryl was born and raised in Edmonton, and graduated from the University of Alberta's Faculty of Law in 1985. Daryl and his wife Renee are proud parents of Harrison and Chloe, co-founders of the Hockey Helps Kids charitable initiative. He also serves on the National Hockey League Board of Governors.

BOB NICHOLSON

CHAIRMAN, EDMONTON OILERS HOCKEY CLUB/ ALTERNATE GOVERNOR

Bob Nicholson, 66, is in his sixth season with the Edmonton Oilers. On June 10, 2019, Nicholson was named Chairman, Edmonton Oilers Hockey Club. The structure change allows Nicholson to devote his energies to OEG's hockey franchises and growing sports businesses.

Nicholson was hired by the Katz Group on June 13, 2014, as Vice-Chairman of Oilers Entertainment Group (OEG), a sports and entertainment company that manages the Katz Group's growing family of sports and entertainment assets, including the operation of Rogers Place, the home of the Edmonton Oilers since 2016-17.

He was appointed as Chief Executive Officer and Vice Chair of OEG on April 24, 2016, bringing his exceptional skills as a motivator, team builder and leader to OEG. Working closely with Chairman and owner Daryl Katz, Nicholson was overseeing all aspects of operations including expansion of the group's sports and entertainment offerings, delivering outstanding fan experiences, securing major new sponsorships and events, and operating Rogers Place, North America's leading sports and entertainment venue.

Since joining OEG in 2014, Nicholson oversees the Edmonton Oilers Hockey Club hockey operations, working closely with Ken Holland, Oilers President of Hockey Operations and General Manager. He also serves as an Alternate Governor for the Edmonton Oilers on the NHL Board of Governors.

Nicholson joined the Oilers after a long and successful tenure with Hockey Canada, serving as the President and CEO from 1988 to 2014, where he oversaw all operations for competitions Canada participated in internationally, including the IIHF World Hockey Championships and Olympic Winter Games, and has overseen Canada winning 72 medals in international competition since 1990, 44 of which were gold, including seven Olympic gold medals.

Nicholson also served as the Senior Vice President of the Canadian Hockey Association from 1992 to 1998 and Vice President of Programs with the Canadian Amateur Hockey Association from 1990 to 1991. He has been heavily involved with international hockey, serving on the International Ice Hockey Federation's Player Safety Committee and currently holds the position of Vice President of the International Ice Hockey Federation which he was re-elected to in May 2016.

Before joining the national body, Nicholson was Technical Director with the British Columbia Amateur Hockey Association from 1979 to 1989. He was inducted into the B.C. Hockey Hall of Fame in 2004. He played minor hockey and Junior A hockey in Penticton, helping the Penticton Broncos win the BCJHL and B.C.-Alberta championships, and also played NCAA hockey at Providence College in Rhode Island. Bob was awarded the Order of Hockey in Canada in 2016 for his outstanding contribution to the game of hockey in Canada.

Nicholson and wife Lorna have two daughters, Mandi and MJ, and one son, Grant.

AMANDA BACON

SENIOR EXECUTIVE ASSISTANT TO THE CHAIRMAN
AND GENERAL MANAGER/ PRESIDENT OF HOCKEY OPERATIONS

TOM ANSELMI

PRESIDENT BUSINESS OPERATIONS AND COO, EDMONTON OILERS HOCKEY CLUB & ICE DISTRICT

Anselmi joined the Edmonton Oilers Hockey Club and Oilers Entertainment Group as President, Business Operations and Chief Operating Officer (COO) on June 10, 2019.

Anselmi is responsible for all aspects of OEG's day-to-day business operations. This includes Team Business Operations and programming and operations of ICE District, including Rogers Place, Ford Hall and ICE Plaza, sales and marketing, guest experience, food and beverage, human resources and finance.

He is an accomplished senior executive in the sports and entertainment industry. Prior to joining OEG, he was, most recently, the President and Chief Executive Officer of the NHL's Ottawa Senators. He originally joined MLSE in 1996 and was responsible for the overall development of Air Canada Centre. He was promoted to Chief Operating Officer in 1999 and President in 2012. Anselmi was a key member of the team that launched MLSE and built it into one of the world's most admired sports and entertainment organizations.

Prior to joining MLSE, Anselmi was Vice President, General Manager of Arena Operations for Canucks Sports and Entertainment in Vancouver. He spent a number of years at Toronto's Skydome (now Rogers Centre) during the development of the facility and during its initial operating phase. KEN HOLLAND

PRESIDENT OF HOCKEY OPERATIONS/ GENERAL MANAGER

Ken Holland, 63, was named President of Hockey Operations and General Manager of the Oilers on May 7, 2019.

Holland ranks sixth all-time with 925 regular season wins as an NHL general manager, 28 behind Cliff Fletcher.

He needs only 12 games to become the 11th general manager in NHL history to reach 1,700 career regular-season games

Holland joined the Oilers after serving as general manager of the Detroit Red Wings for 22 seasons, capturing four Presidents Trophies (2002, 2004, 2006, 2008), 10 division championships (1991, 2001-2004, 2006-2009, 2011), five regular season conference titles (2002, 2004, 2006-08) and reaching 100 regular season points in 13 of his last 18 seasons.

A native of Vernon, BC, Holland helped the Red Wings capture four Stanley Cup championships (1997, 1998, 2002, 2008), the most recent three while serving as general manager.

Over his time as general manager with the Red Wings, Holland guided the team to more combined regular-season and post-season wins (1,098) than any other NHL franchise. The Red Wings reached the playoffs for his first 19 seasons as general manager, giving the organization 25 consecutive seasons in the NHL post-season (1990-2016) - the third-longest streak in NHL history. For his efforts, he was named the NHL's GM of the Decade (2000-09) by Sports Illustrated.

Prior to taking over as general manager of the Red Wings in 1997, Holland served in a number of different roles within the organization, including as assistant general manager (1994-97), general manager of the Red Wings' American Hockey League affiliate (1994-97), amateur scouting director (1989-94) and western Canada scout (1985-89).

Internationally, Holland has served on several management staffs for Hockey Canada, helping Canada win gold medals at the 2010 and 2014 Olympic Winter Games and at the 2016 World Cup of Hockey. Holland was also general manager with Canada at the 2006 World Hockey Championship in Latvia, where Canada finished fourth overall and assistant general manager at the 2005 World Hockey Championship in Austria, helping Canada win a silver medal.

As a goaltender, he was drafted by Toronto in the 12th round, 188th overall, in the 1975 NHL Entry Draft, reaching the NHL for four games with Hartford and Detroit. Holland retired as a player after the 1984-85 season, transitioning soon afterwards into scouting.

Holland played junior hockey for the WHL's Medicine Hat Tigers from 1973-75. Holland twice signed with NHL teams as a free agent – in 1980 with Hartford and 1983 with Detroit. He spent most of his pro career in the AHL with Binghamton, Springfield and Adirondack. Holland was named to the AHL Second All-Star Team in 1982 and the NAHL Second All-Star Team in 1977. He made his NHL debut in 1980-81, playing one game with Hartford followed by three games for Detroit in 1983-84. Holland retired as a player after the 1984-85 season.

In February 1998, Holland was inducted into the Binghamton (NY) Sports Hall of Fame. In 2019, Holland was inducted into the BC Sports Hall of Fame as a builder.

Holland and his wife Cindi have four children, sons Brad and Greg, and daughters Julie and Rachel. Ken and Cindi also have five grandchildren.

KEVIN LOWE

ALTERNATE GOVERNOR

Kevin Lowe, 60, is an Alternate Governor of Oikers Entertainment Group (OEG). Previously, Lowe served as the Oilers President of Hockey Operations for seven seasons and prior to that he spent eight seasons as the Oilers General Manager.

A new era in Oilers' history was ushered in when Lowe was named to the position of General Manager on June 9, 2000. With the announcement, the first-ever draft pick in Oilers' history replaced Glen Sather, who held the position since June of 1979. Lowe's appointment came a year after he was named Head Coach of the Oilers on June 18, 1999. Over those years the team's payroll was annually near the bottom of the league however the team was a league leader in dollars spent for points earned in standings including many playoff appearances. As GM, he became one of only 40 general managers in the history of the NHL to get his team to the Stanley Cup finals in 2006, losing in game seven to the Carolina Hurricanes.

It took the popular Lowe only three seasons from his retirement from the game as a player to make his way to the position of General Manager. After a brilliant playing career in the National Hockey League with the Edmonton Oilers and New York Rangers, Lowe announced his retirement from the game on July 30, 1998 and joined the coaching ranks as he served as an assistant coach with Ron Low's Edmonton staff in 1998-99.

The 1999-00 season saw Lowe become the seventh head coach in Oilers history. In his lone season behind the Edmonton bench, Lowe guided the Oilers to a second place finish in the Northwest Division with a 32-26-16-8 record, only eight points behind the first place Colorado Avalanche, and a berth in the Stanley Cup Playoffs.

Lowe's expertise has also translated into success for Team Canada on the international stage. On November 8, 2000, Lowe was named as Assistant Executive Director of Canada Olympic Hockey for the 2002 Winter Olympic Games in Salt Lake City, Utah. Working with former teammate Wayne Gretzky, Team Canada's Executive Director, head coach Pat Quinn and Director of Player Personnel, Steve Tambellini, Lowe helped put together a team of NHL players that won the Olympic gold medal for Canada for the first time in 50 years. A 5-2 victory over the United States in the gold medal final on February 24, 2002 saw Team Canada become the first Canadian squad to win Olympic gold since the Edmonton Waterloo Mercurys won at Oslo, Norway in 1952. He reprised that role with Team Canada at the 2006 Winter Olympics in Turin, Italy and was a member of Team Canada's management team that put together the gold medal winning roster at the 2004 World Cup of Hockey. Lowe, along with Doug Armstrong and Ken Holland, assisted General Manager Steve Yzerman to help guide Canada's Olympic Team to another historic gold medal victory in the 2010 Vancouver Olympics. Lowe once again represented his country as a part of Team Canada's management team at the 2014 Sochi Winter Olympics, where Canada won gold again.

Lowe was the Oilers' first-ever draft pick when he was selected 21st overall in the 1979 NHL Amateur Draft on August 9, 1979. During 19 seasons in the NHL, including 15 as an Oiler, Lowe played in 1,254 regular season games and 214 playoff games, winning six Stanley Cup championships. The first five Cup championships came with Edmonton as he was a member of each of the Oilers' titles in 1984, 1985, 1987, 1988 and 1990 and was followed by a sixth with the New York Rangers in 1994. In his 15 seasons with Edmonton, the Oilers never failed to qualify for the Stanley Cup Playoffs with Lowe in the lineup. In fact, Lowe only missed post-season play once in his 19-year career as New York missed the 1992-93 playoffs during his first season in Manhattan.

Besides being the first draft choice in Oilers' history, Lowe also scored the first goal in team history as he beat Tony Esposito at 9:49 of the first period in Edmonton's first NHL game on October 10, 1979 at Chicago Stadium. The goal launched a career that saw him play for 19 seasons without spending a day in the minors. That goal was also assisted by Wayne Gretzky, marking the "Great One's" first ever point in the NHL.

Lowe holds the Oilers' record for most games played in both the regular season (1,037) and playoffs (172) and is one of only 45 players in NHL history to have played in 1,000 games with one franchise. Both awards are presented for leadership qualities and humanitarian contributions. He was also the Oilers' nominee for the Bill Masterton Memorial Trophy that season. JOEY MOSS

DRESSING ROOM ATTENDANT

Although he works behind the scenes with the Edmonton Oilers training staff, Joey Moss, 56, is one of the organization's most well-known and beloved members.

Brought to the attention of the Oilers by Wayne Gretzky, Joey has endeared himself to the players, coaches, staff and fans of the Oilers since he began working in the team's dressing room in 1984-85. Joey, born with Down's syndrome, can be seen helping the other members of the Oilers training staff on a daily basis from the start of training camp until the final whistle each spring. Among his many duties, Joey looks after the cleaning of the dressing room, team laundry, the handling of towels and water for games and practices and the distribution of equipment.

Joey is an integral part of the Oilers and has been with them through four of their five Stanley Cup championship seasons. During games, Joey can be found in his customary seat behind the Oilers' bench, where he belts out the loudest version of "O Canada" prior to every home game.

Each season, the Oilers conclude their training camp with the presentation of the Joey Moss Cup to the winners of the annual intra-squad tournament. The tournament began over a decade ago as an evaluation tool for the coaching staff, and has evolved into a charitable fundraising event for various programs throughout Oil Country.

On June 16, 2017, the Professional Hockey Athletic Trainers Society (PHATS) and Society of Professional Hockey Equipment Managers (SPHEM) honoured Joey at their annual meetings, for his outstanding service and contributions to the Edmonton Oilers Hockey Club.

Prior to the 2003 NHL All-Star Game in Florida, Joey was presented the NHL Alumni Association's "Seventh Man Award" by Gretzky. The award is presented by the NHL Alumni Association to NHL members "whose behind-the-scene efforts make a difference in the lives of others."

Outside the dressing room, Joey has lent his name and support to "Joey's Home", an assisted-living home for individuals with developmental disabilities overseen by the Winnifred Stewart Association.

Joey's talents are not confined to just the hockey rink, as he has served with the Edmonton Eskimos training staff during the summers since the 1986 Canadian Football League season.

EDMONTON OILERS COMMUNITY FOUNDATION

The Edmonton Oilers Community Foundation (EOCF) is a proud supporter of Oil Country and has been contributing to our community's success since 2001. With a focus on programs that support health and wellness, education and minor hockey programming for youth, the Oilers Foundation is deeply committed to its goal of helping to enrich lives and eradicate social issues while finding long-term solutions to build strong, vibrant and safe communities.

Since its inception in 2001, the EOCF has contributed over $40 million to more than 2,900 charities, community groups and minor hockey programs throughout Northern Alberta. Thanks to the generosity of our valued hockey fans, Oilers players, the EOCF Board of Directors, Oilers Entertainment Group (OEG) employees and the Katz Family, this past 2018-19 season, the Foundation had a record year of giving, donating $4.3 million to charities and minor hockey groups.

For more information on the EOCF and its programs, go to: nhl.com/oilers/eocf

SOME OF THE FOUNDATION'S PROGRAMS

ROYAL ALEXANDRA HOSPITAL FOUNDATION

The Edmonton Oilers Community Foundation (EOCF) committed $1 million to the Royal Alexandra Hospital Foundation to purchase a Positron Emission Tomography and Computed Tomography (PET/CT) Scanner.

A PET/CT Scanner allows physicians and care teams to detect, diagnose, stage and treat diverse forms of cancer and a wide range of diseases that affect people of all ages and backgrounds. This will be Canada's highest resolution digital PET/CT system, which will be used as a leading-edge diagnostic tool within the Alberta Health Services system and have a remarkable impact on the advance of healthcare in Edmonton, and central and northern Alberta.

The addition of this diagnostic equipment will have transformational clinical impact on patient diagnostics and treatment, including surgical and neurological care. The system will be used to enhance leadership in medical training and research, and furthermore, by radiologists and neurologists to develop and expand concussion protocols to better treat and mitigate brain injuries arising from participation in professional and amateur sports.

INNER CITY HIGH SCHOOL

Inner City High School's focus on supporting youth education and health and wellness is a perfect complement to the Edmonton Oilers Community Foundation's (EOCF) mandate. In December 2010, the EOCF purchased the former Native Friendship Centre to serve as Inner City High School's new home.

The new facility, spearheaded by the EOCF, accommodates 150 students marking a 125 per cent increase from the previous school building's capacity. Accredited by Alberta Learning, Inner City High School focuses on offering youth both an academic and arts-based alternative to a high school diploma. Helping youth achieve their full potential both academically and personally is a fundamental goal of Inner City High School and in some cases, the work will be nothing short of lifesaving.

This alternative high school supports Edmonton's inner-city youth with a stable and consistent path that goes beyond the classroom. Youth are given guidance regarding accommodation, counselling, nutrition and medical care. Its strong sense of community has created a safe haven offering many at-risk youth a solution and promising future. Through this initiative, the EOCF continues to leave a lasting legacy for the City of Edmonton and its downtown core.

ICE SCHOOL

ICE School (In Class Education) or as many students have affectionately dubbed it: Incredibly Cool Education, has been an Edmonton Oilers Community Foundation (EOCF) initiative since the 2002.

ICE School is one of Edmonton's Inquiring Minds sites allowing teachers to follow curriculum outcomes taught in the classroom and turn those concepts into real world understanding for their students. Students are given the opportunity to move their classroom for an entire week into the world of Rogers Place and Edmonton's Ice District. The classroom is located on the southwest corner of Rogers Place.

HOCKEY HELPS KIDS

Hockey Helps Kids is a fun and innovative charity competition which brings together local schools, charities and the Edmonton Oilers to raise awareness and funds for a variety of local charities. The program helps strengthen the relationship between the National Hockey League (NHL), communities, fans and most importantly, helps junior high school students in local communities understand the importance of helping make their community a better place. Students engage in research, interviews and data collection to select their charity. Each school and its chosen charity will be teamed up with an Edmonton Oilers player who will be their Team Captain. Each team then develops a two-minute video to promote their charity and drive votes and awareness, with the goal of achieving the most votes during a designated period. The winning charity will receive $25,000 and the three runner-ups will each receive a $10,000 donation

SEATS FOR KIDS

Through the generosity of individuals and businesses across Oil Country, the Edmonton Oilers Community Foundation's Seats for Kids program provides unused game tickets to registered charities that provide child and family services in the Edmonton area. These tickets allow many children to experience hockey at Rogers Place and, for many, a once-in-a-lifetime opportunity.

DAVE SEMENKO LEGACY PROJECT

The Edmonton Oilers Community Foundation (EOCF) committed $225,000 to Sport Central in support of the Dave Semenko Legacy Project.The funds from the Dave Semenko Legacy Project will fund two Sport Central initiatives: Dave's Drive and Put a Lid on a Kid over the next 10 years.

Dave's Drive, an annual equipment drive helping raise awareness, funds and donations for the Sports Central. In addition, the Dave Semenko Put a Lid on a Kid program will be aimed at increasing head safety and concussion prevention for kids in sport by providing new, certified helmets for registered minor hockey players and new bicycle recipients. Every helmet will have a #27 decal applied to it in honour of Dave.

50/50 PROGRAM

The Oilers 50/50 draw is an exciting aspect of every home game. WIN50, our very own 50/50 program awards the highest average 50/50 prize of all Canadian NHL teams across the League. The opportunity for our fans to leave the game with an unexpected payout is a very enticing draw and knowing that the net proceeds support local charitable organizations, minor hockey & ringette associations in Northern Alberta and the Edmonton Oilers Community Foundation is just another great reason to support the program!

COMMUNITY CORNER

The Edmonton Oilers Community Foundation hosts silent auctions at every Oilers home game which provide fans with an exciting opportunity to bid on sports memorabilia and collectibles while supporting their community. Fans can view items and place their bids until halfway through the second intermission at the Community Corner locations. Funds raised through this initiative continue to support various Foundation activities.

ONLINE AUCTIONS

In addition to in-game fundraising initiatives, the Edmonton Oilers Community Foundation continues to host several online auctions through the season. These events feature one-of-a-kind souvenirs, collectibles and game-worn items not available anywhere else.

OILERS IN THE COMMUNITY

Each and every season the Edmonton Oilers make a commitment to being a strong community partner. Through this commitment, the organization, players and staff, participate in a number of different events, charitable fundraisers and community programs. Below is a sampling of the Edmonton Oilers community initiatives.

For a complete list, please visit EdmontonOilers.com.

OFF-ICE APPEARANCES

Oilers players take great pride in providing support on local initiatives and play an active role with many community organizations including: Stollery Children's Hospital Foundation, Right To Play Canada, Cross Cancer Institute, Inner City High School, WE day, Cystic Fibrosis, Canadian Tire's Jumpstart program, Christmas Bureau of Edmonton and Area, and Kids with Cancer Society. Players also visit local hospitals and participate in annual community and school programs.

YOUTH HOCKEY PROGRAMMING

The Edmonton Oilers have several youth hockey programs geared towards development on and off the ice. Oilers Hockey School presented by Rogers is a six-day camp that provides high-caliber instruction daily, as well as special visits from Oilers players and Oilers Alumni. Oilers Hockey Clinic presented by ATCO is a complimentary weekend camp hosted in one of Oil Country's rural communities. Oilers Second Shift is our newest youth hockey initiative designed to help grow the game and bridge the gap between learn-to-play programs (such as the NHL/NHLPA First Shift program) and minor hockey enrollment. This program is available to kids who are relatively new to the sport and are not currently enrolled in minor hockey at a minimal cost. This six (6) week program offers the opportunity to receive instruction in a fun, non-competitive environment with the ultimate goal of inspiring kids to join minor hockey at the conclusion of the program. More information about each program can be found at EdmontonOilers.com/youthhockey.

EDMONTON OILERS FIRST SHIFT

The Edmonton Oilers First Shift program is designed to ensure a positive experience for new-to-hockey families. Participants aged six to ten receive hockey equipment from Bauer as well as six weeks of on-ice instruction supported by Oilers alumni. With a strong emphasis on fun, Edmonton Oilers First Shift is an affordable, accessible, and safe program for those looking to get their start in hockey.

SKILLS COMPETITION

The Edmonton Oilers Skills Competition, presented by Rogers, is a fan-focused event that invites fans to watch the Oilers players compete against each other in an exciting demonstration of hockey skills. Individual competitions include: Breakaway challenge, Fastest Skater, Hardest Shot, Most Accurate Shot and King of the Shootout.

While players will make every effort to respond to fan mail, please remember that a personal response is not guaranteed due to the volume of mail each player receives. IN MEMORIAM

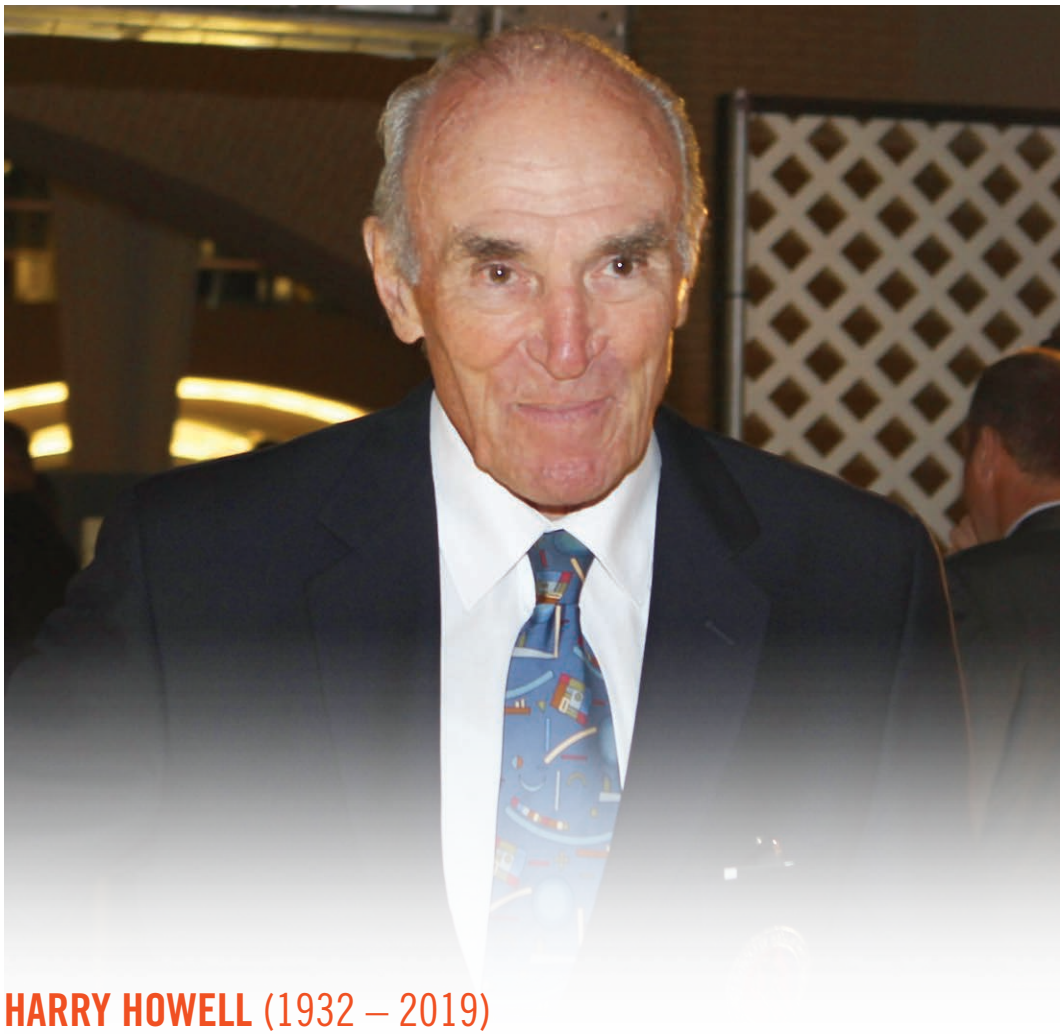
ONCE AN OILER, ALWAYS AN OILER



HARRY HOWELL (1932 – 2019)

Harry Howell joined the Oilers as a scout in 1989, getting his name engraved on the Stanley Cup for the first time when the Oilers won in 1990.

A native of Hamilton, ON, Howell was a stalwart, stay at home defenceman over 21 NHL seasons, appearing in 1,411 games, posting 418 points (94G, 324A). He was named a First Team NHL All-Star in 1967, also capturing the James Norris Trophy that season, as the NHL's top defenceman. He played in seven NHL All-Star Games and holds the record for most games played for the New York Rangers (1,160).

When Howell retired as a player, he had played more NHL games as an NHL defenceman than anyone else, and now ranks 12th all-time.

Howell passed away on March 9, 2019 at the age of 86.

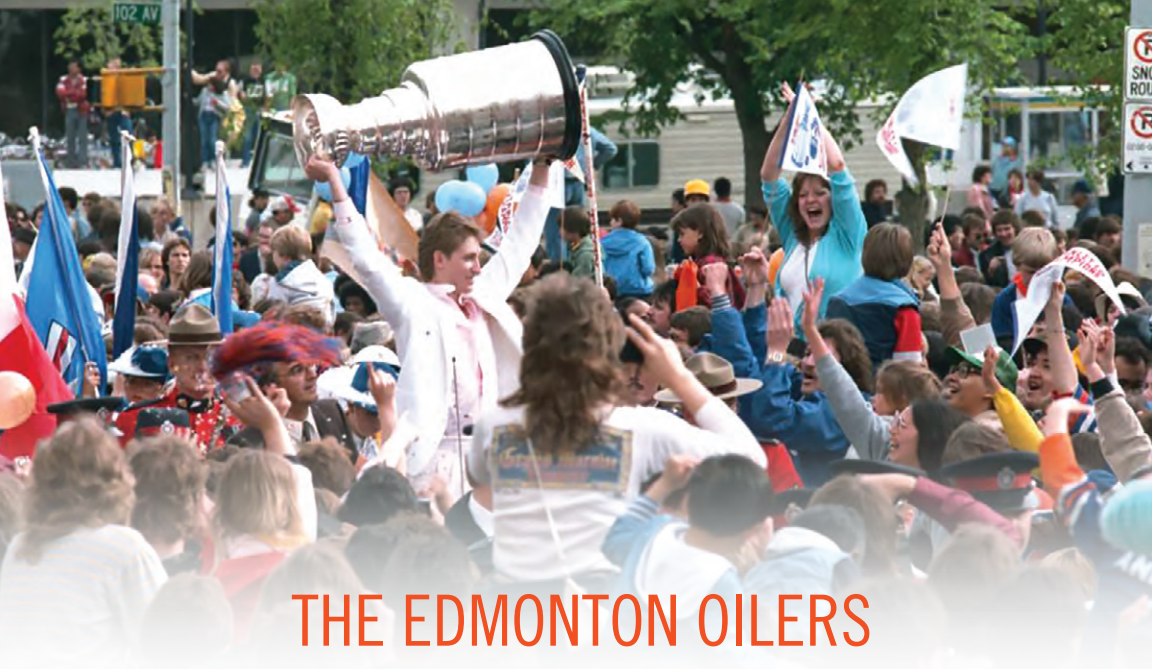
EDMONTON OILERS RECORDS



THE EDMONTON OILERS

BRINGING PROFESSIONAL HOCKEY TO NORTHERN ALBERTA SINCE 1972

The Alberta Oilers joined the World Hockey Association (WHA) in 1972, playing out of the Edmonton Gardens with team captain Al Hamilton. The team name changed to the Edmonton Oilers the following season. The name 'Oilers' was a popular nickname for the Oil Kings, a junior hockey team in the Western Hockey League (WHL), which were previously owned by the Oilers original owner, Bill Hunter. Hunter made the nickname the official name of his professional team.

The Oilers joined the National Hockey League (NHL) for the 1979-80 season, with a young Wayne Gretzky beginning his historic career. Five seasons later, the team captured their first of five Stanley Cups and provided fans with some of the most exciting hockey ever played.

The Oilers returned to the Stanley Cup finals in 2006, falling to the Carolina Hurricanes in seven games. The team won the NHL draft lottery in 2015, selecting forward Connor McDavid first overall.

In 2016-17, the Oilers reached Game 7 of Round 2 of the Stanley Cup playoffs, the team's inaugural season playing in Rogers Place.

MOLSON CUP

One constant during the Oilers tenure in the NHL has been the Molson Cup. The Molson Cup has played an important role in the history of the Edmonton Oilers over the years since the team joined the NHL in 1979-80. It has been a part of some of the most outstanding achievements in NHL history, including five Stanley Cup championships and the Heritage Classic.

One of the most successful programs ever launched in connection with the National Hockey League, the Molson Cup has become synonymous with excellence, as it is awarded to the player who accumulates the most votes in the three-star voting process over the course of the NHL regular season schedule.

Six times throughout the NHL season, a member of the Edmonton Oilers is selected as the Molson Cup Player of the Month. The Molson Cup is based on the selection of the top three performers of each game as nominated by the Edmonton sports media. Players earn five points each time they are selected one of the game's three stars and the player accumulating the most points at the conclusion of the regular season has his name engraved on the beautiful Molson Cup.

Molson Canadian is a proud sponsor of the Edmonton Oilers.

MEDIA ACCREDITATION

All media and photographers' passes issued by the Edmonton Oilers are valid only for the date(s) noted and are non-transferable. Passes may not be used to gain access to Rogers Place or practice facilities for the purpose of obtaining autographs or memorabilia from members of the Edmonton Oilers Hockey Club. The Edmonton Oilers reserve the right to revoke passes at any time. ALL PASSES MUST BE VISIBLE AT ALL TIMES.

MEDIA PRESS BOX

The Press Box at Rogers Place is divided into two working areas. On the lower level, you will find the general media area for all reporters and journalists not involved in play-by-play. Most seats are specifically allocated with appropriate signage, but if there is any confusion, please direct any queries to the Edmonton Oilers communications staff. The upper level of the Press Box is divided into ten separate booths, in which you will find booths for on-air radio and television broadcasts, home and visiting team officials and NHL off-ice officials.

To gain access to the Press Box, there is one stairway entrance and one elevator which is located adjacent to the Media Lounge and will lead you to the west side of the Press Box, however, it should be pointed out that unless you have an Edmonton Oilers press pass, you will not be able to enter the main working areas.

SINGLE GAME MEDIA ACCREDITATION REQUESTS

Requests for media accreditation should be submitted to Shawn May (smay@edmontonoilers.com) ideally at least 24 hours prior to games or practices. Accreditation will be available for pick up one hour before practices and two hours before games at the Rogers Place Information Desk on 104th Avenue (near the Wayne Gretzky Statue)

MEDIA ENTRANCES

Rogers Place: Enter through the security checkpoint location next to the Rogers Place Information Desk (104 Avenue, street level)

PRACTICE ARENA (RP DOWNTOWN COMMUNITY ARENA- DCA): DCA Entrance – (104 avenue, second floor)

Rogers Place is open to the media at least three hours prior to game time and one hour prior to practices. Practices at the DCA (Downtown Community Arena) are open thirty minutes prior to practices.

PHOTOGRAPHERS

Photography passes are approved by Andy Devlin, Edmonton Oilers Team Photographer (lamedia@telus.net) and those accredited as photo journalists are asked to report to the media workroom at least one hour before the game for individual seat allocation. Andy Devlin will have the final say in terms of seat allocation.
Photographers do not have access to the Press Box.

COMMUNICATIONS

Wireless internet access is available in both the Press Box and media workroom.

Food and beverages are offered in the Press Box during the game.

Closed circuit television monitors are located for your convenience throughout the Press Box.

Game statistics will be distributed after each period in the Press Box, while final game sheets will be distributed in the Edmonton Oilers dressing room and the Media Lounge 15 minutes after the game.

NHL HOW TO FIGURE

**** NOTE: No individual skater/goaltender statistics apply for the shootout but the deciding goal counts as a goal (GF) for the winning club**

Assist	An assist is awarded to the player or players (maximum of two) who touched the puck prior to the goal, provided no defender plays or possesses the puck in between.
Game Played	A player receives credit for playing in a game if: i) he steps on the ice during time played or; ii) serves any penalty.
Game-Winning Goal	After the final score has been determined, the goal which leaves the winning Club one goal ahead of its opponent is the game-winning goal (example: if Team A beats Team B 8-3, the player scoring the fourth goal for Team A receives credit for the game-winning goal). Goal A goal is awarded to the last player on the scoring Club to touch the puck prior to the puck entering the net.
Goals-Against Average	Multiply goals allowed (GA) by 60 and divide by minutes played (MINS).
Goaltender record	A goaltender receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.
Penalty-Killing Pct.	Subtract total number of power-play goals allowed from total number of shorthanded situations to get total number of power-plays killed. Divide the total number of power-plays killed by the total number of shorthanded situations.
Plus-Minus	A player receives a "plus" if he is on the ice when his Club scores an even-strength or shorthanded goal. He receives a "minus" if he is on the ice for an even-strength or shorthanded goal scored by the opposing Club. The difference in these numbers is considered the player's plus-minus statistic.
Power-Play Goal	A goal scored by a Club while it has a manpower advantage due to an opponent's penalty. Following are some examples of what is and is not considered a power-play goal: • if a Club has an advantage on a minor penalty starting at 2:02 of the period and it scores at 4:02, the goal is not a power-play goal. • if a Club scores on a delayed penalty, the goal is not a power-play goal. • if a Club has an advantage due to a five-minute major or match penalty, that Club is always credited with having one more advantage than the number of power-play goals it scores during that advantage, because the penalty does not expire. A new advantage begins after each power-play goal. For example, if Team A scores three goals during a major penalty, it is credited with four advantages. • if a Club is on a power-play for any length of time, it is considered to have had an advantage. • if a minor penalty is incurred by a Club on a power-play due to a major penalty, a new advantage is given to that Club when its minor penalty expires, provided the opponent's major penalty is still in effect.
Power-Play Percentage	Total number of power-play goals divided by total number of power-play opportunities.
Save Percentage	Subtract goals allowed (GA) from shots against (SA) to determine saves. Then divide saves by shots-against.
Shooting Percentage	Divide the number of goals scored by the number of shots taken.
Shorthanded Goal	A goal scored by a Club while it is at a manpower disadvantage. The same cases apply for shorthand as for power-play goals, but in the opposite manner.
Shot on Goal	If a player shoots the puck with the intention of scoring and if that shot would have gone in the net had the goaltender not stopped it, the shot is recorded as a "shot on goal".
Shutout	If two goaltenders combine for a shutout, neither receives credit for the shutout. Instead it is recorded as a Club shutout.
Tenths of a Second	If a penalty or goal occurs in the last minute, the time is rounded off to the previous second (ex: if a penalty is called with 12.4 seconds left in a period, the time is indicated as 19:47 and not 19:48.)
Coaches Record	A coach receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.
